RECENT HIGHLIGHTS

Lunch & Learn - Dr. Stephen Rummage

About 40 pastors were greatly encouraged by Pastor Stephen of Bell Shoals Baptist Church as he taught on *Planning Your Preaching*. His book by that title was provided free of charge to all of those who picked one up. Stephen encouraged pastors to be expository preachers who annually get away with the Lord for an intensive time of prayer, listening to God, and for planning out six months to a year of Bible book sermons. He offered to send the PowerPoint notes of his talk to those who requested it from his ministry assistant, Barbie Frost. If you would like a copy of these notes you can email her at bfrost@bellshoals.com

Church Planter Network

Those on the front lines of pushing back darkness need the encouragement of other like-minded leaders. On March 12 about 15 church planters met for lunch, to deepen friendships, and to pray for each other so that they can continue to plant churches out of the overflow of abiding in Christ. The luncheon was the first of many that will take place on the second Thursday of each month.

Navigator Church Ministry Training March 27

8 pastors and leaders from TBBA churches attended the training event in Summerfield, FL. They learned how to start and maintain a discipleship movement within their church. It ...

- starts with pastors & leaders catching the vision for and modeling personal discipleship
- includes defining what a disciple is so that every church member can understand it
- develops clear pathways for discipleship of all members (new believers, students, etc.)
- equips potential disciple makers
- trains disciples to share the gospel as they go into the world
