RESOURCES

The Florida Bright Futures Scholarship Program has established three scholarships to reward Florida high school graduates for high academic achievement. These scholarships also require a certain number of service hours. The [Tampa Bay Baptist Conference Center](#) would like to support students that are working towards a possible scholarship under that Bright Futures Scholarship Program. During

the summer camp months, June-August, there are many different tasks that must be accomplished in the day-to-day operations and upkeep of the facility. The conference center would like to extend the invitation to all high school students in search of service hours to contact them at (813) 961-1059. Come join them while you work to make a difference in the future and serve the Kingdom at the same time.

Florida Baptist Foundation Pastors' Golf Retreat 2015

We had six pastors go to the retreat: Dan Reid, Chuck Richard, Don Hassee, Tom Biles, Bobby Patton, and Ronnie Murray. Congratulations to Pastor Ronnie Murray who hit a hole-in-one.

Navigator Church Ministries

Close to 30 pastors and leaders attended the NCM training on May 28 at the TBBA offices. Brian Zaas and Jeff Edwards (NCM) talked about how pastors can change the DNA of their churches so that they are intentionally reaching lost people and discipling them. The NCM also offered coaching for interested pastors that will enable them to follow through with their discipling intentions.
