## AUGUST 2015

Solomon wrote that a cord of three strands is not easily torn apart. Our association is committed to assisting pastors, leaders, and church members to be more personally involved in fulfilling the Great Commission through various training opportunities. Information is included below on three upcoming events (cords) that will focus on proclaiming and sharing the gospel and God's word. They are:

1. Equipping Tampa Bay Leadership Conference - August 15
2. H. B. Charles Expository Preaching Seminar - September 11-12
3. Intentionally Evangelistic Church Strategy Conference - October 9-10

I strongly encourage you to personally participate in these events and invite others to join you as we strive to reach the people in our county with the gospel.

Coming alongside,  
Mike

## RECENT HIGHLIGHTS

### New Orleans Seminary Partnership with Hardee Correctional Institute

Many pastors and leaders attended the recent luncheon with Dr. Mike Wetzel and heard him explain how pastors and leaders who have a Master's Degree can teach approved prisoners so that they can earn a Bachelors degree in Christian Education. If you are interested in learning more about how you might participate in this ministry, please contact Mike Kahn at [mkahn@tbba.org](mailto:mkahn@tbba.org).

### Culture Link Partnership with TBBA

TBBA is partnering with CultureLink to train pastors and leaders to be disciples who are reaching people and making disciples wherever they go. Twelve pastors and leaders participated in the August luncheon and hopefully many more will attend the February 5-6, 2016 training that will take place at a local TBBA church.
