JUNE FEATURED EVENT

June 9, 2016 Luncheon at the TBBA

Developing a pastoral internship for your church, and partnering with Southeastern Baptist Theological Seminary

The responsibility to raise up leaders and send them into the mission field both locally and around the world falls squarely on the local church.

As pastors, we know this but too often we wrestle with the practicalities of the task, or even knowing where to start. Get in on the conversation June 9, 2016 at the TBBA for our every-second-Thursday CPN Lunch.

This month, we are blessed to have Gary Fike from Southeastern Baptist Theological Seminary coming to talk with us about setting up formal internship programs in our churches, and potentially partnering with SEBTS.

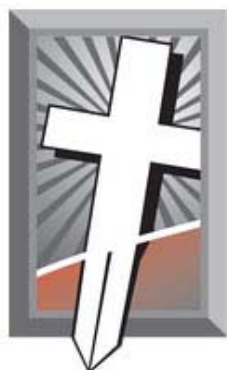

A product of Brook Hills Church in Birmingham, AL, Gary serves now at SEBTS in Wake Forest, NC as Special Assistant to Jim Shaddix, the EQUIP Coordinator.

This will be a great program for any pastor who is interested in developing leaders, whether you are a church planter, a revitalizer or in an established church.

- Time: 11:30 a.m. 'til 1:00 p.m.

RECENT HIGHLIGHTS

We had a great group of pastors come out on Saturday, May 5, 2016 for the Celebrate Recovery luncheon. It was both informative and practically helpful as we considered hurts, habits and hangups and how we can be part of the solution as the local church.

[Contact Mike](#) for more information about starting a group in your church.

We had 24 of our pastors wives come out for a great event just for them on Friday, May 6, 2016 at Christ Fellowship Church. A sweet time of fellowship was had by all and just about every one of the ladies was able to connect to one of our regional, monthly, "Panera Groups."

Please [contact Kristi Vicente](#) for more information and look for our next Ladies Night Out dinner in the fall.

DID YOU KNOW?

We've got a new roof!

Praise the Lord. After a year of planning and budgeting accordingly, we have a brand new roof at the Association office.

While this was a large financial investment into our building, our prayer is that the Lord will multiply it for ministry and mission.

Bright Futures Service Hours

The Florida Bright Futures Scholarship Program has established three scholarships to reward Florida high school graduates for high academic achievement.

These scholarships also require a certain number of service hours. The Tampa Bay Baptist Conference Center would like to support students that are working towards a possible scholarship under that Bright Futures Scholarship Program.

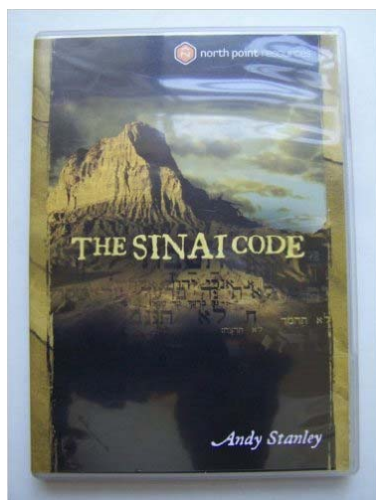

During the summer camp months, June-August, there are many different tasks that must be accomplished in the day-to-day operations and upkeep of the facility. The conference center would like to extend the invitation to all high school students in search of service hours to contact them at (813) 961-1059. Come join them while you work on your academic future and serve the Kingdom at the same time.

Featuring a different DVD series each month

The Sinai Code by Andy Stanley

Thirty-five hundred years ago Moses came down from Mt. Sinai with a short list of rules that has shaped the values of men and nations for centuries. We know them as the Ten Commandments. But do we really know them? Some would argue that it is the Ten Commandments that set the stage for mankind to feel as if we must perform our way into God's good graces. But was that the reason they were given?

In this five-part DVD Andy Stanley dispels the common misconceptions about the Ten Commandments and reveals the role that they should play in our lives today. Messages include: Rules of Engagement; The One and Only; What's in a Name?; Thou

Shalt Do Nothing; Thou Shalt Be Free

If you are interested in using this for a group study in your church, please contact Carol Clark at 935-3839.
