Not Even a Hint **Purity Campaign Notebook**

On January 23 - 24, I was blessed to share with 61 TBBA pastors and leaders about the need for our churches to address the epidemic of pornography and sexual immorality in churches today. The battle for purity is not just a men's issue but it is becoming more and more of a problem for women and especially adolescents. A Purity Notebook was given to each attendee and it explains how a Church-Wide Purity Campaign can be used in a church to help men, women, and teens live in sexual purity for the sake of the gospel. The notebook includes a section on why every individual and family should install accountability and filtering on all their devices that have internet connectivity. There is a printed Purity PowerPoint presentation that addresses the extent of this problem and what can be done to fight it. There is a Resources section that describes many incredible small group resources (*Every Man's Battle, Every Young Man's Battle, etc.*) that can be used to help in this matter. In addition to the notebook, a CD containing purity sermons and a Purity PowerPoint presentation, a Covenant Eyes (CE) flyer with a Passcode for trying CE for 30 days for free, and a Sixty Day Bible Reading plan is included. The TBBA staff is available to assist pastors and leaders to biblically and effectively address this pressing issue.

CURRENT EVENTS

Executive Committee Meeting & *The Art of Neighboring*

February 13 @ 10:30 a.m.

TBBA Office | 1060 W. Busch Blvd., Tampa 33612

We're doing something new at our next Executive Committee Meeting. We'll pray together and hear reports regarding God's work in our churches and association, just like we have in the past. Then we will distribute a free copy of the book, *The Art of Neighboring*, to each attendee. You won't want to miss this time together as we will use a number of excerpts from the book to guide "round table" discussions on how believers can build relationships with their neighbors and influence them for Christ. A free lunch will follow the meeting.

RSVP to Jan at jjones@tbba.org

Pastors' Prayer Summit

Prayer in the early church was not supplemental, it was fundamental. Today, churches throughout our convention and association are awakening to the priority of prayer. Pastors and leaders are invited to join scores of others from around the country by attending this powerful two day Prayer Summit. This will be the fourth time that we have participated in this prayer gathering. It will transform your prayer life and help you lead your church to become a house of prayer for the nations.

- **February 20-22, 2017**

What Is A Prayer Summit?

A Prayer Summit is a corporate, multiple-day experience of unscripted prayer, worship and

Scripture whereby we seek God, hear from God, and enjoy time spent in His presence. Quite the antithesis to our typical pre-planned and over-scheduled worship services, many have found these events to be some of the most powerful times spent with God and some have even called these "the most New Testament prayer experience you can have."

Contextual Clarity: Understanding your community and the unique doorways and platforms for the Gospel

Hal Haller, Church Planting Director of the New York Baptist Convention, will address our Association in a special training on the effective contextualization of the Gospel:

- February 23, 2017
- TBBA Office | 1060 W. Busch Blvd., Tampa FL 33612
- 10:00 a.m. to noon

Haller will be presenting vital perspectives for all Pastors, Church Planters and those who bring Good News in and through Tampa Bay.

We all love Tampa Bay! We love her people, we love her diversity, we love the variety of neighborhoods and people groups. What can we do to connect Good News to your assigned set of friends and neighbors?

Let's ask the Lord for a glimpse of His eyesight, to learn to see our neighbors in a fresh light.

Every unique person and every unique group of people has bridges and barriers to the Gospel. Good and bad woven into their culture and their personalities. Speaking as one missionary to another, what have you found to be the doorways that are wide open for entry of good news?

Upon which unique platforms are you leading your church as they live and speak the timeless, unchanging salvation of Jesus.

Please RSVP with Robert at RBeckman@tbba.org in order that we may prepare for you.
This resource is provided by the generosity of contributing TBBA churches.
