## A Strong Tower of Safety

*The name of the Lord is a strong tower, the righteous man runs into it and is safe.* (Proverbs 18:10). What a great word from the book of Wisdom! Yet we know in the days in which we live even God's church house is not as safe as it used to be. Many leaders understand that it is our responsibility to prayerfully develop effective strategies for protecting worshipers each week. There is no "one size fits all" answer but we can learn from each other. This month our association has partnered with West Broad Street Baptist Church to offer a *Church Safety Conference* led by Pastor Ken Smith of Idlewild. He is the Minister of Administration and has been on staff there for over 30 years. Sign up soon (see below) and bring some leaders with you.
