

MARCH 2019

## WHO'S YOUR ONE?

Pastors and leaders know that sharing the gospel and making disciples is priority #1 for the Church. Yet, leading our congregations to live out evangelistic lifestyles is a huge challenge.

The North American Mission Board (NAMB) is looking to help. They have partnered with Dr. J. D. Greear, the new president of the Southern Baptist Convention, to release a simple, evangelism strategy that can work for any size church.

It is called "Who's Your One?" And it is now available to you.

The goal of the new program is to encourage all of our 16+ million church members to prayerfully identify *the one person* that they can pray for, serve, love, and have spiritual and gospel conversations with.

This strategy is rather simple to implement through the use of a kit full of helps, including sermons and other digital resources. And it's free.

Kits have already been mailed to some SBC churches. If you have not already received one then you can get yours by calling (800) 634-2462 or going online at [www.whosyourone.com](http://www.whosyourone.com) (*shipping may apply*). Also the TBBA has 20 free kits that are available to any of our churches.

Check out the Website [www.whosyourone.com](http://www.whosyourone.com) and watch the video here: [Click for Video](#)

"We must do whatever it takes to reach the lost, and it starts with one." I appreciate this slogan from the Website, because it reminds us that God wants to use us in relationships with specific people. We must pray that He will lead us to that one person and when He does that we would

be faithful to share with them.

## MARCH EVENTS

***PLEASE NOTE: LOCATION & DATE CHANGE***

### **Sharper One-Day Conference at FishHawk Fellowship March 7, 2019**

*This event was originally scheduled for February 28, 2019 at Bell Shoals.  
It has been moved to FishHawk Fellowship on March 7, 2019.*

Staying honed and always ready to be used by God can be difficult as the challenges of the day pull you in multiple directions. The dullness takes its toll - forcing us to work harder to maintain the same level of effectiveness as we minister to our congregation and our staff.

Together we can pull back the curtain and gain insight and fresh perspectives from each other. And be encouraged to keep getting better at evangelism, discipleship, prayer, preaching, teaching, leadership...church multiplication, small groups and other critical issues.

Be renewed, be equipped, be challenged to remain Sharper!

We are blessed to have the Florida Baptist Convention and FishHawk Fellowship church bringing another super day of encouragement for our churches.
