Exciting Church Planting News NAMB/Florida Baptist Convention Partnership

The North American Mission Board (NAMB) had adopted the southeastern part of the state of Florida as a SEND city/region which means that money and resources were made available to plant churches in that part of the state. Recently NAMB and the Florida Baptist Convention agreed to a partnership whereby the entire state of Florida has been declared a SEND State. The official name is SEND Network Florida and it now means that resources and money that were reserved only for southeast Florida are now available for church plants in any part of our state. All planters will be required to go through the NAMB assessments for church planters and this new partnership has the potential to completely change the trajectory of church planting across our entire state.

The North American Mission Board (NAMB) has partnered with Dr. J. D. Greear, the new president of the Southern Baptist Convention, to release a simple, evangelism strategy that can work for any size church.

It is called "Who's Your One?" and it is still available to you. The goal of the new program is to encourage all of our 16+ million Southern Baptist church members to prayerfully identify the one person that they can pray for, serve, love, and have spiritual and gospel conversations with.

If you have not already received your kit (one per church) then you can get yours by calling (800) 634-2462 or going online at www.whosyourone.com (shipping may apply).

Join us Monday, April 29, 2019 for our famous \$5.00 steak and a great training with Ric Hesse, North American Regional Director for Crossing Cultures International (CCI).

Pastor, imagine the impact your church or ministry would have when the church and ministry leaders share your doctrine, your passion for Christ and for the local church, and share your God given vision for ministry. CCI provides pastors and church leaders with a non-formal, discipleship-based curriculum that is Bible-based, comprehensive, affordable, and develops the Bible knowledge, ministry skills, and Christ-like character essential for local church ministry. Come and see how CCI training can enhance your ability to make and multiply disciples who know and follow Christ's teaching and produce spiritual fruit that has eternal significance.
