

OCTOBER 2019

## CELEBRATING TOGETHER

I always enjoy gathering with our pastors, leaders, and church members at our Annual Celebrations but this year I am more excited than usual. Dr. Willy Rice will be challenging us to personally share the gospel, the Exciting Central Tampa Baptist Church choir/praise team will be leading us in worship, and I will have the privilege of rolling out a new lifestyle evangelism training called *All for One*. It is designed for pastors to use to train their members to have spiritual and gospel conversations at work, at home, and at play. See below for more information. Mike

Stories from various TBBA pastors & more

Most of our local churches are plateaued or declining in attendance. You have probably heard it said, "If we keep doing what we have been doing then we will keep getting what we have been getting". We have to do something. What would God have us do?

Hear about the new and free *All for One* Lifestyle Evangelism training resource that will be highlighted at the celebration. It is designed to enable pastors and leaders to train their members to develop a daily, lifetime habit of

- Christ-Centered living
- Caring about lost people
- Connecting with lost people
- Conversing with lost people
- Continuing with Christ and others
