

JANUARY 2020

EVERYONE EVANGELISM

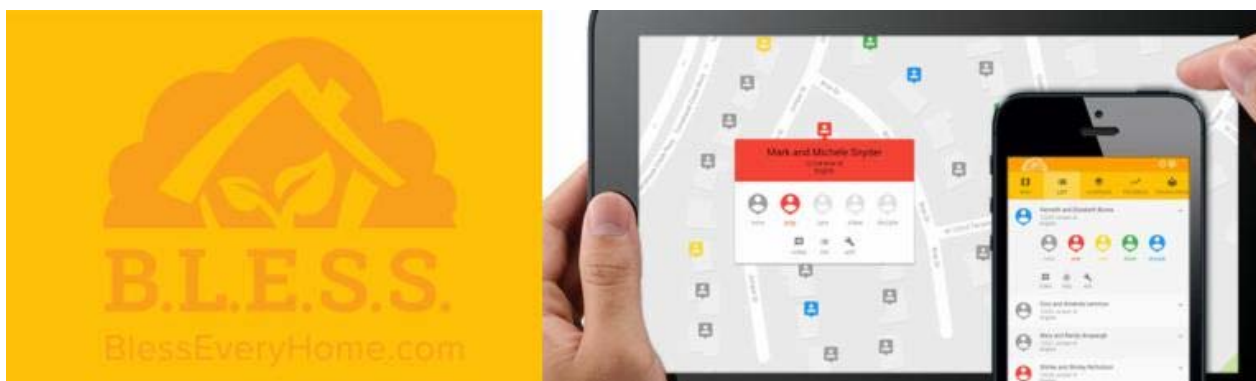

The beginning of a new year is a great time for a church and an association to evaluate the direction it is headed. There are many good things we all do but are we about the best thing or things that the Lord desires for us to be about?

Certainly one of these best things must include personal evangelism. Studies indicate that a very small percentage of believers ever share the gospel and the TBBA wants to see that negative reality change. That is why we have added a new Evangelism section that can be found at the top of our homepage at www.tbba.org. It contains ideas that can help any church develop a Church-Wide Evangelism strategy so that more and more of their members can grow to be witnesses for Christ. A great first step is to train church members to pray for their lost neighbors and look for ways to have spiritual and gospel conversations with them (see the *Bless Every Home* promotion below). Learn more about *Bless Every Home* and other evangelism ideas by visiting www.tbba.org and clicking on the Evangelism tab.

Staying honed and always ready to be used by God can be difficult as the challenges of the day pull you in multiple directions. The dullness takes its toll - forcing us to work harder to maintain the same level of effectiveness as we minister to our congregation and our staff.

Together we can pull back the curtain and gain insight and fresh perspectives from each other, and be encouraged to keep getting better at evangelism, discipleship, prayer, preaching, teaching, leadership, church multiplication, small groups and other critical issues.

Be renewed, be equipped, be challenged to remain *Sharper*!

We are blessed to have the Florida Baptist Convention bringing another super day of encouragement for our churches.

Details and registration information coming soon.
