Coming Alongside to Assist in the Fulfillment of the Great Commission

USE YOUR DRIVERS, IRONS, & PUTTER TO MAKE DISCIPLES

I have shared a Golf Club Analogy before when I have spoken about what is needed for churches to make disciples who make disciples. There are three types of golf clubs and there are three primary ways to make disciples. All three golf clubs are necessary to enable a golfer to get the ball in the hole with the least number of shots. All three discipling methods are also necessary for churches to make disciples of Jesus.

First, corporate worship with strong biblical preaching makes disciples each and every Sunday. Preaching is necessary for disciple making just like the drivers are necessary for golf. A skilled golfer can hit the ball over 300 yards down the middle of the fairway. But it takes more than a driver to get the ball in the hole and it takes more than preaching to produce a multiplying disciple.

Weekly Small groups are the second method of producing disciples. When believers gather together to study God's word, pray, fellowship, and encourage each other to live for God then good things happen. Small groups can be compared to a golfer using his or her irons to get the ball up on the green. It can be done with just a driver but it is much better to use an iron to do this. Drivers and irons are both needed in golf.

Finally, triad (1 on 3) disciple making groups of men with men or women with women are the other method of producing disciples. When a few men or women get together weekly to discuss their Bible study assignments on such topics as the Spirit-filled life,

getting God's word into their lives, Scripture memory, quiet time, prayer, the church, evangelism, serving, and stewardship then incredible life-change will occur. The triad groups promote authenticity and honesty that can result in genuine repentance and the fullness of Jesus in the group members' lives. This method of discipling is like the golfer using his or her putter to get the ball in the hole. It can be done with a driver and iron but a putter makes it much easier.

Just like all three golf clubs are needed so all three disciple-making methods are needed in churches today. Pastors and staff members, please come to our January 27 Multiplying Disciples workshop at Christ Fellowship Church to learn more about disciple making. Then come and bring your lay leaders to a Multiplying Disciples Conference on March 4-5 at Christ Fellowship Church. See details below for each of these events.

Get your discipling "clubs" out and let's make disciples who make disciples.

9:00 a.m. to 2:00 p.m.

Join us in Central Tampa for a super day of discussion around the topic of disciple-making in our personal ministries and in our churches.

The Role of the Lead Pastor in Disciple-Making

Bruce Moore - Pastor Bruce has been the pastor of Christ Fellowship Church in Tampa for 11 years.

Previously he has served as the Single Adult Pastor at Idlewild Baptist Church and at FBC Jacksonville. He has also been the senior pastor at FBC Dade City. He has been a personal disciple-maker for all of his adult life and has led CFC to be a church that makes disciples who make disciples. Pastor Bruce has also been active with NAMB and the BLVD training for 7 years.

Disciple-Makers "Tool-Box"

Tony Hoffman - Pastor Tony serves as Campus Pastor for First Baptist Leesburg, where he previously served as Pastor of Discipleship and Sunday School ministries.

He also served our Florida Baptist State Convention as a state-wide director of education with a focus on Sunday School, small groups, and disciple-making.

The Disciple Maker's Toolbox is an approach to disciple making that recognizes there is no one size fits all system for making disciples. Various tools and techniques will be discussed that have been proven effective in making disciples who make disciples. The toolbox approach follows these key steps: begin with relationship, share a discipling passion, identify the needs, employ appropriate tools, equip for reproduction, and releases for results.

The Effects of Disciple-Making on your Church

Dr. Bob Magruder - Bob is currently the Executive Pastor of Operations at FishHawk Fellowship. He has had a passion to make disciples who make disciples for over 35 years. He has served as a youth pastor, teaching pastor, NAMB Chaplain, discipleship pastor and executive pastor engaging men and women in small discipleship groups in every ministry. His conviction is that real discipleship involves multiplication.

Keys to Biblical Disciple-Making

Mike Kahn - Mike served for 19 years at Idlewild Baptist Church and has been the Associational Missions Strategist of the Tampa Bay Baptist Association for over 9 years. He was discipled by a pastor when he was 23 years old and as a result he has personally discipled many adults and also some pastors throughout his lifetime.

"What If?" Evangelism Conversations

Let's Talk about a Potentially Simple and Yet Compelling Evangelism Strategy

A 2021 Gallup poll indicated that only 47 percent of Americans are members of a local church, synagogue, or mosque. The percentage was 70 percent as recently as 1999. The 47 percent number is the lowest percentage in the past eight decades. Our nation is certainly not trending in a good spiritual direction and many Christian leaders wonder about how this trend can be changed for the better.

Join us in February or March for one of two identical meetings,

where we ask the question "What if?"... What if our pastors and churches could learn and deploy a compelling and yet simple evangelism strategy?

We hope you will come to talk and listen. Just pick the date that works for you:

As believers we are challenged to live out our faith in our daily lives through evangelism and discipleship. As pastors, I know that you face intense challenges and hardships as you seek to advance God's Kingdom right where He has placed you.

We know as Florida Baptists we can do more together than we ever could alone. Baptisms. Church Plants. Church Revitalizations. Mission Engagements. Maguire State Missions Offering. Cooperative Program Giving.

These are not just checklist items. They are indicators of the feet on the ground working for the glory of God. No one person, no one church can accomplish all that God has called us to.

So we work together. We challenge and sharpen one another. We encourage our brothers and we pick each other up when it is too hard to go it alone.

Gather with us on February 22 for a time of facing our challenges, addressing our ministry contexts and struggles and equipping one another to continue the fight for the advancement of the Gospel.
