Coming Alongside July, 2022

The Christian Response

What has changed? The Supreme Court on June 24, 2022 overturned a 50 year-old, "egregiously wrong" ruling, wrote Justice Samuel Alito in the majority opinion. In doing so, the Court removed constitutional protection for abortion, and returned to the states the legal decision-making responsibility over the issue.

What has not changed? God is the giver of all life. Life begins at the moment of conception. We must protect the unborn and women.

What needs to change? We are still in the midst of a national and global wave of attention being cast on this ruling, and the issue of abortion in general. And, for most of us, we have not had in our lifetimes the kind of momentum we have right now to present the message of life. Life *from* Christ, *in* Christ, and *for* Christ.

I know abortion is still legal in the U.S., although many states are moving to outlaw or

restrict abortions to 15 or 20 weeks. I know that our message as Christians, and as the Church, really hasn't changed. Yet, with this Supreme Court ruling, I feel like we have to have a response.

So, we are offering a luncheon for pastors and leaders to hear from the three incredible Crisis Pregnancy Centers in our region. Come to learn about how your church and its members can help pregnant women choose to save their unborn children, and then come alongside these women to help them while they are pregnant and after their babies are born. This is a great opportunity for the Church to be the Church for both babies and mothers.

See below for details on the luncheon and I hope to see you there.

Coming alongside,
Mike

What if? – These are two words that can help us to imagine and dream about making changes in our lives that can lead to improved and even incredible outcomes.

What if ... we taught our church members some simple evangelism methods that enabled all of them, not just a small percentage of them, to personally show and share Jesus with others? What if our churches were to use the word P.L.E.A.S.E. to communicate some simple and yet effective actions that all Christ-followers can take to show and share Jesus with others?

Download the brochure *(.pdf)* and watch the videos below for the complete What If / PLEASE Evangelism Training. Recorded in May, 2022, Pastor Mike Kahn, Associational Missionary for the Tampa Bay Baptist Association, leads us through a simple and effective way to to make 24-7 relational evangelism a reality for our church families.
