Coming Alongside November , 2023

TWO ARE BETTER THAN ONE

I came across an anonymous quote recently that states, "We may not have it all together but together, we have it all."

Solomon wrote, "Two are better than one because they have a good return for their labor. For if either of them falls, the one will life up his companion. But woe to the one who falls when there is not another to lift him up."

I am very thankful for the incredible relationships that we share with our pastors, planters, and church leaders. Thank you for being there for us and each other because we all fall at times and need a helping hand to pick us up.

Hopefully we can slow down some this time of year and give thanks to our Lord for His faithfulness to and provision for us, and for the loving family of God that He has placed us in. Two are truly better than one.

Coming alongside,
Mike

RECENT HIGHLIGHTS

Annual Celebration

We enjoyed a wonderful evening of worship and a powerful message from our preacher, Pastor Ken Whitten. He preached from Haggai on confidently looking ahead rather than wishing for and living in the good old days. Pastor Rafael Sanchez and Pastor Larry Mouton shared about how their churches have benefited from partnrng with the TBBA and with the churches in our association. Pastor Daniel Butson also shared about partnerships via a video that was shown at the celebration.

A special thanks goes out to the Harvest Baptist Fellowship team that made our recent Annual Celebration such a success. Thank you Pastor Brant Adams, the worship team, the tech team, the many greeters, and others for all of your hard work.
