Coming Alongside August, 2024

Preach the Word!

The book of Acts gives an incredible account of the acts of God through the early church. As one reads through the entire book, he or she can easily observe a number of repeated themes that remind us of what is essential for churches to impact communities and regions with the gospel. Certainly the power of the Holy Spirit, fervent prayer, intimate fellowship, sacrificial generosity, and personal evangelism are some of these themes. Also, as seen at the beginning of the book in Acts 2, the Apostle Peter preached the gospel and 3,000 people were saved and baptized. Then at the conclusion of the book, in the very last verse, it is stated that the Apostle Paul boldly preached the kingdom of God and taught about the Lord Jesus. The preaching of the gospel and the kingdom of God was a significant focus of the early church apostles and pastors, and it must also be for the church today.

But sometimes every preacher needs some "continuing education" on how to improve his preaching. That is why the Tampa Bay Baptist Association has invited one of the premiere expository preachers in our denomination to lead a Preaching Conference in Tampa next week. Dr. H. B. Charles, Jr. will instruct pastors on August 20 - 21 on how to develop and deliver powerful sermons that come straight out of the biblical text.

We already have 31 preachers who have RSVPed to come. But there is still room for more preachers, or future preachers to sign up to learn how to more effectively teach the truth that sets people free. See below on how to RSVP and invite another preacher you know to join you.
